The Eastbourne Symphony Orchestra was founded in 1979 and has currently performed more than 130 concerts. Details of all concerts are on the website where there is a growing archive of photos, posters, programmes and reviews.

Financially self-supporting, the ESO registered as a charity in 1987 and, with quality players from Eastbourne and the surrounding areas, performs a number of concerts a year among which there is an ESO annual young soloist competition winner's concert and an annual choral concert.

ESO supports young talent
through its annual
Young Soloist Competition

Five recent finalists in the competition with the ESO president, the Mayor and the musical director

A much appreciated annual event is the ESO Young Soloist Competition which was established in 1988 as a result of the 11th Duke of Devonshire's financial generosity, and offers young soloists the opportunity to perform with an orchestra. For some 30 years, the competition has created increasing interest throughout the country and abroad, and attracts very high standard young musicians. Details of all past winners are on www.eso.org.uk
